Pets are a part of the family and their death impacts us as deeply as any person's.

Coastal Humane Society has teamed up with Hospice Volunteers: Center for Grief & Loss in Mid Coast Maine to offer grief support for pet owners. Two groups have formed and will meet at the same time: 1) anticipatory grief for those who are facing the difficult journey of grief at end-of-life, and 2) a support group for those whose pet has already died.

These losses are critical to process and in a support group there is a place to do so. Please join us to share experiences and stories of our beloved pets.
